Biography

Having travelled extensively around the world over 25+ years with her late husband and daughters Susan has lived & worked in the UK, New Zealand, Malaysia, Borneo, and the Philippines and remote locations around Australia.

Attending Bintulu Sarawak's, Fine Art College, Susan joined art groups, became involved in exhibitions & demonstrations wherever she lived at the time! Having lived in some of the world's most remote and inhospitable regions, joining like minded people was a great way to get to know local artists. Including, joining outback 'Loose Group' in Katherine Northern Territory of Australia. Susan attended Charles Darwin University, gaining teaching qualifications, in the exclusive company of Outback Nurses, Prison Officers, Jackaroos, and Jillaroos.

Prior to taking up teaching, Susan worked as Piping Process Works Administrator on the installation of a new Nuclear Reactor Vessel in Engadine, Sydney Australia.

Susan currently run workshops at Caldley Valley Boughton Chester, organises French Painting Holidays, and is one of 8 Artists at a Pop-up Galleries Northgate Street Chester - Places for Arts in Chester.
